

# EnviroMission Ltd.

## Profile

Ticker **EVM** | Primary Stock Exchange **Australian Securities Exchange**

**Overview:** EnviroMission is the global developer of Solar Tower renewable energy power station technology.  
**Incorporated:** INCORPORATED in Australia Nov. 2, 2000, as Prudential West Limited; name changed to EnviroMission Limited July 31, 2001.  
**Background:** EnviroMission Limited engages in the development of Solar Tower renewable energy technology in the United States and global markets. The company, which owns the global license to Solar Tower technology (excluding China), has shifted its development focus to the Southwest of the United States. According to EnviroMission, a single 200 mega watt (MW) Solar Tower power station will provide enough electricity to power around 100,000 typical American households, or remove the equivalent of 220,000 motor vehicles from the roads. The company was incorporated in 2000 and is based in South Melbourne, Australia.
